About IKS Health

IKS Health takes on the chores of healthcare—spanning administrative, clinical, and operational burdens—so that clinicians can focus on their core purpose: delivering great care. Combining pragmatic technology and dedicated experts, IKS Health enables stronger, financially sustainable enterprises. IKS Health’s Care Enablement Platform delivers data-driven value and expertise across the care journey, and IKS Health is a partner for clinician enterprises looking to effectively scale, improve quality, and achieve cost savings through forward-thinking solutions. Founded in 2006, IKS Health’s global workforce supports large health systems across the United States.

Inventus Knowledge Solutions Limited was listed on National Stock Exchange of India Limited (NSE) and BSE Limited (Bombay Stock Exchange) on December 19, 2024. {Scrip codes: NSE - IKS and BSE - 544309}

Spokesperson

Sachin K. Gupta is the Founder and Global Chief Executive Officer of IKS Health, a global leader in care enablement solutions, and an inaugural member of the IKS Health Board of Directors. Sachin founded IKS Health in 2007 and has pioneered its emergence as the leading care enablement platform in the United States. Fueled by his blend of entrepreneurial spirit, executive acumen, and strategic vision, IKS Health has grown to 12,000+ employees, serving more than 600 healthcare organizations. Sachin continues to steer the organization toward rapid growth and success, including taking IKS Health public in December 2024 on the National Stock Exchange of India.

Sachin believes IKS Health serves as an accountable advisor to healthcare organizations, guiding them through the complexities of modern healthcare in order to achieve sustainable growth. His priorities include delivering a comprehensive care enablement platform that combines pragmatic AI-driven technology with dedicated expertise to alleviate administrative, clinical, and financial burdens, helping clinicians and staff to focus on delivering high-quality patient care.

He holds a bachelor's degree in computer engineering from the University of Pune and is a member of the Young Presidents' Organization and R360. He previously worked with technology-enabled organizations such as Majoris Systems Private Limited (now Valtech), Selectica Configurators India Private Limited, and Lionbridge Technologies, Inc. He is an avid philanthropist involved with several nonprofit organizations including Olympic Gold Quest and Prerana. Gupta splits his time between Dallas, Texas, and Mumbai, India.

SACHIN K. GUPTA

FOUNDER AND GLOBAL CHIEF EXECUTIVE OFFICER

Spokesperson

Joe Benardello is a co-founder of IKS Health and its Chief Growth Officer. He is a key member of the executive team responsible for the organization's growth and success, including taking IKS Health public in December 2024 on the National Stock Exchange of India.

Under his tenure, more than 600 top U.S. health organizations are working with IKS Health to become stronger, more efficient, and better positioned for the future. Joe is at the helm of the company's growth and marketing strategy, and is a respected thought leader in the healthcare and technology industries. He is a passionate principal who drives solution design, implementation, and delivery to address the regulatory, technological, and fiscal challenges facing healthcare organizations today.

With a strong background in technology, Joe served as Vice President at Lionbridge Technologies for several lines of business including healthcare. He joined Lionbridge from eTesting Labs, where he built and led the go-to-market strategy. Under his leadership, eTesting Labs was strategically acquired by Lionbridge in 2002. He lives in Los Angeles, and attended UCLA and California State University.

JOE BENARDELLO

Spokesperson

MANISHA KADAGATHUR
CHIEF HUMAN RESOURCES OFFICER

Manisha Kadagathur serves as Chief Human Resources Officer (CHRO) at IKS Health, where she leads the global HR function with a focus on aligning people practices with the company’s business strategy. She is spearheading the organization’s HR transformation, leveraging AI and advanced practices across Talent Acquisition, HR Business Partnering, Learning & Development, and Succession Planning.

With more than 25 years of experience across consumer, financial services, technology, and chemical industries, Manisha brings a unique blend of corporate, entrepreneurial, and consulting expertise. She has held senior leadership roles as a CHRO, Consulting Leader, and Independent Board Member, and has also built and successfully exited an HR Tech startup in the U.S. In addition, she continues to advise growth-stage companies and serves as an Independent Director at Safex Group.

Manisha holds a degree in Mathematics and Computer Science from St. Francis College, Hyderabad, and an MBA from XLRI, Jamshedpur. She is a Professional Certified Coach with the International Coaching Federation and a Partner with Social Venture Partners (SVP) in Mumbai.

[BACK TO SPOKESPEOPLE PROFILES](#)

[MAIN INDEX](#)

PETER LIMERI
CHIEF OPERATING OFFICER

Pete Limeri is the Chief Operating Officer at IKS Health, where he leads Global Customer Delivery across all four feature clusters of the Provider Enablement Platform. A seasoned operating executive with over 25 years of experience, Pete has a distinguished track record of transforming and scaling organizations in both public and private sectors. His leadership spans senior roles as President, COO, and CFO across multiple industries, with deep expertise in strategic, financial, and operational transformation—particularly in healthcare.

Before joining IKS, Pete served as CFO/COO of PRGX Global Inc., a multinational data analytics and professional services firm, where he drove record-breaking performance—achieving 20+ year highs in Revenue and EBITDA, and a 300% increase in share price over four years. He was also President & CFO of Physiotherapy Associates, where he first engaged with IKS as a client.

In 2008, Pete was named Georgia’s CFO of the Year for mid-sized public companies by *The Atlanta Business Chronicle*. Beyond his corporate achievements, he serves on the Board of Directors and chairs the finance committee for MAP International, a global nonprofit delivering essential medicines to communities in need.

Subject Matter Expert - AI

Ajai Sehgal serves as Chief AI Officer at IKS Health, leading the organization's enterprise-wide AI vision and strategy to harness data, analytics, and advanced technologies for accelerating innovation, improving outcomes, and amplifying impact across the healthcare ecosystem.

A seasoned leader with experience spanning startups to Fortune 100 companies, Ajai was most recently the inaugural Chief Data & Analytics Officer at Mayo Clinic, where he drove the use of over a century of clinical data to power breakthrough medical innovations and elevate patient care. He also served as Chair of Digital Technology at the Mayo Clinic's Center for Digital Health.

Ajai's global leadership experience includes senior technology roles at EagleView, Hootsuite, and The Chemistry Group, overseeing Data & Analytics, Software Engineering, IT, Security, and Operations. Earlier in his career, he served 16 years in the Royal Canadian Air Force before joining Microsoft, where he played a key role in founding and scaling Expedia into the world's largest travel agency. A strong advocate for responsible AI innovation, Ajai continues to mentor and advise within the broader technology community.

AJAI SEHGAL
CHIEF AI OFFICER
